

WEST BANK MOTORCYCLE CLUB

October 15, 1987

HI!

Well, we've finished another season of great riding, camping and friendship. We have met some new friends and renewed old friendships as well as lost some.

Now is the time to find the downs and long-johns, the thinsulates and electric vests so we can get in those last few good days of riding.

Again, the year end party went off without a hitch. Well, almost. The factory goofed on the "200" patch. We have them now so we'll get them to you soon. We also forgot about Stitzel (Hey Larry, thanks for yelling) and Dave Sroga gets his year patch. You can flogg us at the New Year party (but first we need a host/hostess to make the sacrifice).

Now for the statistics:

I would like to take this opportunity to thank the club officers:
 Our super secretary; Sue Vale, our former editor; Sandy O'Brien, the tattle tailer; Tala O'Brien.
 Also a very special "THANKS" to the WBMC PR guys: Mel Arvidson, Ron Nelson, Jerry Saarf and by proxy, Dave Zeman.
 One last and very special "THANK YOU" to Andy Vorlicek for the "professional" lighting to make our practically perfect pig-out porker pigroast the best ever.
 I also want to mention that Andy donated all the wiring and lights to the WBMC.

To everyone involved in the preparation and clean-up (you know who you are)

T H A N K Y O U, T O O!!!

At our pigroast we had the first-ever WBMC 75/25 raffels. For those few people who weren't at the party, I'll explain. The winners of these raffels walked off with 75% of the money and the other 25% will be used for the 20th Anniversary Reunion next summer. Right now we need to hunt down and start contacting previous WBMCers. If you have ever worked on or planned a Reunion - We need you!!! The records we have only go back to 1972 and only list names. If you have old phone lists or rosters --We need U, too. We will also be asking people to make calls and write letters to locate old members to send them info. about OUR Reunion. We raised \$51 in the 75/25 raffels. How about a bake sale? (Just kidding)

A very big "Thank you" to all our sponsors for their support throughout the year/s. We couldn't be doing half of this without you. The donated prizes were great. We just wish you'd make some of our bashes so we could thank you all in person.

One more bit of info:

Tactfull Teddy is now at the Sister Kinney Institute (28th and Chicago) in Minneapolis. Its close by so let's get over to visit him.

We all miss ya, Teddy.
